

Arjun Mehta - Robotics Engineer

Contact Information

Email: arjun.mehta@example.com

Phone: +91 98765 11223

Professional Summary

Robotics engineer with 3+ years of experience in ROS, C++, and embedded systems. Experienced in building autonomous navigation pipelines and robotic arm motion planning.

Skills

- ROS
- C++
- Python
- Embedded Systems
- Control Systems
- Computer Vision

Experience

Robotics Engineer - RoboTech Labs (2021–2024)

- Built SLAM navigation modules.
- Developed CV models for robotic inspection.
- Created motor control firmware for robotic arms.

Education

B.Tech in Mechatronics Engineering

IIT Hyderabad
