Rahul Verma
Junior Robotics Engineer

SUMMARY
1-year hands-on experience building robotic prototypes and embedded systems.

SKILLS
Python, C++, Arduino, Raspberry Pi, Sensors, Motors, Basic ROS.

EXPERIENCE
Robotics Intern – NextGen Robotics (2023–2024)
• Developed small robotic prototypes and tested navigation modules.
• Wrote Python scripts for sensor integration.

EDUCATION
B.E in Electronics and Robotics, PES University (2019–2023)
